Greetings!

I do my grocery shopping at your store, and I’d like you to consider carrying Fluffy Bottom Farms’ yogurt and cheese. Fluffy Bottom Farms is a local creamery that produces heritage Jersey cow and artisan sheep’s milk dairy products. They’re the only artisan yogurt maker in Michigan, and the taste and quality of their yogurts and cheese is really yummy. I would love to be able to buy their products here.

You can contact them for more information on their products at www.FluffyBottomFarms.com or call (734) 548-0654.

Thanks!

Your loyal customer
